## **DETAILED ACTION**

This Office action is in response to applicant's RCE filed on 09 September 2005.

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's amendment filed on 05 August 2005 has been entered.

### ***Allowable Subject Matter***

2. Claims 1-21 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Art Unit: 2813

- Claims 1-10 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, an in-plane switching mode LCD device that includes a transparent conductive film in a layer over a common electrode, wherein the transparent conductive film is electrically connected with the common electrode, and wherein the transparent conductive film and a data electrode generate an in-plane electric field that is substantially parallel to first and second substrates of the LCD device for controlling an amount of light corresponding to a pixel region; and
- Claims 11-21 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, a method for manufacturing an in-plane switching mode LCD device that includes forming a transparent conductive film in a layer over a plurality of common electrodes, wherein the transparent conductive film is electrically connected with the common electrodes, and wherein the plurality of common electrodes and a plurality of data electrodes generate an in-plane electric field that is substantially parallel to first and second substrates of the LCD device for controlling an amount of light corresponding to a plurality of pixels.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
